Kathmandu, Dang

SUMMARY

I am a dedicated Java Developer with a strong foundation in building robust backend systems and REST APIs using Spring Boot. With 10 months of experience, I have honed my skills in creating scalable and efficient backend solutions. I have also developed proficiency in MySQL, utilizing it as the primary database for my backend projects.

KEY COMPETENCIES

Java	REST APIs	Docker
Spring Boot	Python	Github
MYSQL	Amazon Web Service(EC2)	

PROFESSIONAL EXPERIENCE

FEB 2023 - May 2023

Facet Technology Private Limited - Java Intern

1. I took on the challenge of researching and developing a POC for Spring Boot Admin to effectively monitor Spring Boot applications.
2. I delved into the realm of authentication and authorization by conducting a comprehensive study on Keycloak and I successfully designed and executed a PoC showcasing the utilization of Keycloak as an authentication server, bolstering the security infrastructure of the applications.

Facet Technology Private Limited

May 2023 - Sep 2023

Junior Java Developer

1. I played a key role in the development of an innovative Event and Attendance Management system.
2. I was responsible for architecting and implementing backend functionalities that enabled event creation and management the system allowed users to mark their attendance through a mobile app.
3. Additionally, I established a robust CI/CD pipeline using GitHub Actions and docker for Spring Boot and React application ensuring efficient and reliable software delivery.

Self Employed

July 2023- Sep 2023

Java Developer

I designed and developed a RESTful API using Spring Boot for an NFC payment system for Chandragiri Hillis. I designed secure API endpoints for mobile and web application, implemented transaction logic, and managed the cloud-based deployment.

EDUCATION & CERTIFICATIONS

Bachelor of Science in Information Technology

Presidential Business School, 2021- 2024 (On going)

High School Degree (+2, Science)

Gorkha Secondary, 2019 - 2020 CGPA: 3.75

Java Certification

Broadway Infosys , 2022

EXTRACURRICULAR ACTIVITIES

President, IT Club.

2022

Presidential Business School
